Thursday: <https://mathsframe.co.uk/en/resources/resource/118/adding-time-word-problems>

Key Skills – these are to keep the children ticking over (if you have time)

Daily	Try hard to do 5-10 mins each day: <ul style="list-style-type: none"> • Tables Practise using games/websites/activities of your choice OR • Practise counting up and back in 50s and multiples of 50, e.g. 150s
Weekly <i>Have a go at one of these each week if you have time/want some extra practice.</i>	<ul style="list-style-type: none"> • Use Hit The Button to practise division facts https://www.topmarks.co.uk/maths-games/hit-the-button • Have a go at this time challenge! <p>How Many Times?</p> <p>Age 7 to 11</p> <p>On a digital 24 hour clock, at certain times, all the digits are consecutive (in counting order). You can count forwards or backwards.</p> <p>For example, 1:23 or 5:43.</p> <p>How many times like this are there between midnight and 7:00? How many are there between 7:00 and midday? How many are there between midday and midnight?</p>
Vocabulary	These are useful words that you may need to support your Maths. Talk to your parents/carers about them and look up any you are unsure of. <p style="text-align: center;">addition subtraction multiplication division place value pound numerator denominator fraction equivalent digit pence</p>
Extra Challenge Ideas	If you need an extra challenge try https://nrich.maths.org/9084 Choose which investigation you would like to try and record what you do in your book.
