

Appledore School – Sports Premium Funding 2016-2017

At Appledore, we understand the importance of PE in boosting the health and well-being of the children. We recognise that exercise has a positive impact on concentration, attitude as well as academic achievement. We aim to support all pupils in developing their own active lifestyle and to become responsible, successful and confident citizens.

Key Areas for Development

To support staff with delivering PE lessons to a consistently high standard and to help them to make accurate assessments during lessons. To develop teachers' PE subject knowledge and to increase their confidence and skill base. To extend the PE curriculum by increasing the range of sporting opportunities.	Progress
To increase participation in sporting activities, during school and out of school. To create opportunities for children to take part in both inter and intra school sporting activities and festivals. To continue to develop our House Point system to promote team spirit as well as competition. To audit and develop the resources available to children.	Participation
To audit and track pupils identified as needing further intervention to develop skills and fitness, and to provide a Fun Fit programme for those identified as benefitting from it. To increase participation in extra-curricular activities by offering a wider range. To develop all children's fitness through activities at Lunchtime. To ensure all children meet the Devon Swim 100 requirements.	Intervention

Total budget: £8000 + £5 per pupil

Use of Funding	Amount Allocated	Provision	Impact
Purchase of container and shelving	£2950	To store PE equipment appropriately so that it is easily accessible and prolongs the life of the equipment.	PE equipment is stored safely and sensibly.
Service of Gym Equipment	£130	To ensure gym equipment is safe to use.	Gym equipment can be used safely.
Hire of Cricket Club Coaches	£550	To create links with the local community. To provide a place for children to learn and develop new skills alongside peers and members of the local community.	Children experience sport in an environment away from school and meet adults who are responsible for their own active lifestyles.
Transport to Swimming sessions.	£1900	To contribute to the cost of transport to the swimming pool, keeping the costs affordable for parents.	All children in Years 3 and 4 to take part in swimming sessions. Selected children from Years 5 and 6 to take part in top up swimming sessions.
Transport to festivals and competitions	£530	To provide transport to activities out of school.	Enables all children to take part in activities out of school.
Entrance fees to competitions	£74.52	Entrance fees for competitions e.g. Tag Rugby, Tennis Festivals, Gym Competitions.	Children were selected to attend festivals in the local community.
Equipment for House Competitions and rewards for the winning house.	£80.45	To develop a calendar of House competitions, related to children's learning as well as a number of new sports and challenges.	All children are encouraged to take part in competitions with the rest of their house. Allowing children to try lots of new experiences.
Devon Swim 100 – Top up swimming	£460	Pupils unable to swim confidently by the end of Year 4 are to be offered top up swimming	Children leave school as more confident swimmers and are

		sessions in Years 5 and 6.	able to swim greater distances.
Purchase of equipment for After School clubs	£129.76	To enable new after school activities to take place.	A number of successful clubs were introduced including Tag Rugby for KS2 and Football for all children from EYFS to Year 6
Contribution towards Trim Trail	£2000	To promote active lunchtimes and to increase children's core strength and agility.	Children are more active during break times and have a space to practise skills such as balancing, climbing etc.
Taster sessions for Extra-Curricular activities.	£360	To gauge interest in extra curricular activities before offering them to children and to increase the range of extra-curricular activities that are offered.	To encourage children who don't regularly attend extra-curricular clubs by offering a wider range.
Extra-curricular activities for Year 6 children.	£175	To provide opportunities for Year 6 children to demonstrate skills learnt throughout their PE education, for instance at the Wake Park.	Children were able to apply skills learnt through the Swim 100 programme and through their PE education.

Total = £9339.73
