

Appledore School – Sports Premium Funding 2015-2016

At Appledore, we understand the importance of PE in boosting the health and well-being of the children. We recognise that exercise has a positive impact on concentration, attitude as well as academic achievement. We aim to support all pupils in developing their own active lifestyle and to become responsible, successful and confident citizens.

Key Areas for Development

To support staff with delivering PE lessons to a consistently high standard and to help them to make accurate assessments during lessons. To develop teachers' PE subject knowledge and to increase their confidence and skill base. To extend the PE curriculum by increasing the range of sporting opportunities.	Progress
To increase participation in sporting activities, during school and out of school. To create opportunities for children to take part in both inter and intra school sporting activities and festivals. To develop our House Point system to promote team spirit as well as competition. To audit and develop the resources available to children.	Participation
To audit and track pupils identified as needing further intervention to develop skills and fitness, and to provide a Fun Fit programme for those identified as benefitting from it. To provide extra-curricular activities targeted at children needing further intervention. To increase participation in extra-curricular activities by offering a wider range. To develop all children's fitness through activities at Lunchtime.	Intervention

Total budget: £8000 + £5 per pupil

Use of Funding	Amount Allocated	Provision	Impact
Devon Pedpass subscription for 'Excellence in Primary PE' programme.	£1000	To provide CPD opportunities for all staff (Teachers, HLTAs, TAs, MTAs, Governors) to work alongside their peers in local schools. To improve subject knowledge in a number of areas including Dance, Gym, Fun Fit, Leap into Life, OOA.	Enables all staff to provide better opportunities for activity and fitness during PE lessons, Lunchtimes, Playtimes or Fun Fit Sessions.
Purchase of benches.	£1333.65	To enable class teachers to apply what had been learnt at the Gym training sessions.	Enough benches were bought so that a whole class could work at the same time.
Transport to festivals and competitions.	£605	To provide transport to activities out of school.	Enables all children to take part in activities out of school.

Transport to Swimming sessions.	£1900	To contribute to the cost of transport to the swimming pool, keeping the costs affordable for parents.	All children from Year 1 to Year 6 to swim to take part in swimming sessions.
Purchase of equipment for House Point System. (House Point tubes and tokens.	£336.40	To allow children to physically receive a house point. To have a clear understanding of how many points each house has.	Children are able to see how well their house is doing and this promotes the right balance of competition and team spirit.
Equipment for House Competitions and rewards for the winning house.	£251.70	To develop a calendar of House competitions, related to children's learning as well as a number of new sports and challenges.	All children are encouraged to take part in competitions with the rest of their house. Allowing children to try lots of new experiences.
Purchase of equipment.	£717.42	To replace old and tired resources. To purchase resources that will enable children to learn new skills and try out new activities.	Children develop new skills during PE lessons and at Playtimes.
Purchase of minibus and minibus driver training.	£1450	To provide an easy and cost effective way of transporting small groups to events and competitions.	A wider range of competitions and events has become available where previously the cost of hiring a coach had prevented participation.
Hire of Cricket Club Coaches	£480	To create links with the local community. To provide a place for children to learn and develop new skills alongside peers and members of the local community.	Children experience sport in an environment away from school and meet adults who are responsible for their own active lifestyles.
An increased range of Extra-Curricular activities.	£220	To increase the range of extra-curricular activities that are offered at school and to subsidise them to make them affordable for all.	To encourage children who don't regularly attend extra-curricular clubs by offering a wider range, for instance Dance Club and Juggling club.
Purchase of equipment for active lunchtimes.	£324.58	To promote active lunchtimes and to provide appealing equipment that is accessible for all ages.	To ensure children are active throughout their lunch breaks.
Purchase of equipment for Gym Club.	£930.65	To enable the experienced gymnasts to develop their skills further and to prepare for competitions. To allow those with less experience to get a basic understanding of Gymnastics.	To have appropriate equipment to allow children to prepare for competitions and to get a full experience of Gymnastics.

Total = £9549.40
