Places will be offered on a first come, first served basis but we will keep waiting lists if oversubscribed. We are hoping to add an additional day for football club if there is enough interest and will offer this to the older year groups. Support can be provided for families whose children are eligible for benefits related free school meals, upon request.

Payment for the clubs will be set up on School Money, once places have been filled. There will be an option to attend After School Club from 4.30pm to 5pm/6pm and 5pm to 6pm as before, after the clubs above have ended at 4.30pm or 5pm, provided there is space. Please book these places on School Money 'clubs' section as normal, once there is confirmation your child has a place on the clubs above.
