My ref: Appledore Pedestrian Crossing

Date: 13.09.2024

Dear Resident/Business Owner,

This letter is to inform you of upcoming work being conducted by Devon County Council in your area.

We will be installing a new pedestrian crossing on the A386 Richmond Road, approximately 15 meters west of the junction with Kingsley Avenue. This work will be carried out by Cormac Contracting Ltd and is scheduled to begin on October 9th, with an estimated completion time of 4 weeks.

While the road will remain open throughout the project, temporary 24-hour, two-way traffic signals will be in place to ensure the safety of both the public and workers.

This initiative is funded nationally by Active Travel England and aims to create a safer crossing point for parents, school children, and residents.

Thank you for your patience and cooperation.

Regards
